

MATTERHORN GLACIER PARADISE

VIEWING PLATTFORM

From the **highest viewing platform in Europe** visitors can enjoy a unique Alpine view that knows no national boundaries. The 360° panorama opens up over 38 four-thousanders and 14 glaciers in France, Italy and Switzerland. It's impossible to get enough of this view, which takes in the Eiger, Mönch and Jungfrau in the north, the craggy north face of the Breithorn in the east, and Mont Blanc, the highest peak in Europe, in the west – and the Matterhorn too.

The long-distance view is captivating and instils a quiet, reflective mood in many visitors.
