

GETTING UP EARLY IS WORTH IT

BREAKFAST & SUNRISE

See the first rays of sun bring a red glow to the imposing mountain peaks, how the Matterhorn stretches up to meet the sun and how peacefully and quietly the Alpine pastures are spread out in between. Take in the spectacle from lake Stellisee, where the Matterhorn is reflected on windless days.

Afterwards, a hearty breakfast buffet is ready for you in the Fluhalp mountain restaurant, so that you can charge your batteries for a day in the mountains. Getting up early brings wonderful rewards!
